

Better Value Rail

OpEx Disclaimer Conditions of Use / T&C's

While we make every effort to ensure that the content of this tool is accurate, this is not always achievable and therefore the data provided through this tool is provided without any guarantees, conditions or warranties as to its accuracy. Any cost ranges that are provided through the use of this tool are meant for indicative purposes and should not be used as any form of estimate.

If, having used this tool, you wish to proceed further and discuss your proposal in more detail, please contact the appropriate Network Rail Regional Business Development Director or the Director of Sponsorship?

Specific terms and conditions:

The Standard Terms and Conditions written below manage the use of this OpEx Range Finder Tool as part of the Better Value Rail suite of tools. These terms will be applied fully and affect your use of this tool. By using the tool, you agree to accept all terms and conditions written here. You must not use the tool if you disagree with any of these Standard Terms and Conditions.

Information Usage

- *Neither we nor any third parties provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information and materials found or offered on this website for any particular purpose. You acknowledge that such information and materials may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.*
- *Your use of any information or materials on this website is entirely at your own risk. To the extent permitted by law, we, other members of our group of companies and third parties connected to us hereby expressly exclude:*
 - *All conditions, warranties and other terms which might otherwise be implied by statute, common law or the law of equity.*
 - *Any liability for any direct, indirect or consequential loss or damage incurred by any user in connection with our tool or in connection with the use, inability to use, or results of the use of our tool and any materials posted on it, including, without limitation any liability for: (i) loss of income or revenue; (ii) loss of business; (iii) loss of profits or contracts; (iv) loss of anticipated savings; (v) loss of data; (vi) loss of goodwill; (vii) wasted management or office time; and (viii) for any other loss or damage of any kind, however arising and whether caused by tort (including negligence), breach of contract or otherwise, even if foreseeable.*
- *It shall be your own responsibility to ensure that any products, services or information available through this website meet your specific requirements.*

Restrictions:

You are restricted from undertaking all of the following:

- *Publishing any of the information held in this tool in any other media*
- *Using the information in this tool in any way that may be damaging to this tool, person or business entity*
- *Engaging in any data mining, data harvesting, data extracting or any other similar activity in relation to this tool*
- *No cost or range of costs that this tool provides are to be used as an estimate in any form*

Better Value Rail

- *The cost or range of costs that this tool provides are outline and it is important that any cost information utilised for the development of proposition or business case is validated by Network Rail prior to its use.*

If you act in breach of these terms of use, your right to use this tool will cease immediately and you must, at our option, return or destroy any copies of the data you have made.

Limitation of Liability

In no event shall Network Rail, Office of Rail and Road, Department for Transport, nor any of their officers, directors, or any employees, be held liable for anything arising out of or in any way connected with your use of this Tool whether such liability is under contract, nor shall they be held liable for any indirect, consequential, or special liability arising out of or in any way related to your use of the tool

Governing Law & Jurisdiction

Your use of this tool and any dispute arising out of such use of the tool is subject to the laws of England, Northern Ireland, Scotland and Wales.
